

Unseen Faith | Hebrews 11:1-3

1. Read together Hebrews 11:1-3. Share anything that stood out for you, challenged, confused or excited you from this passage.
2. Define faith in your own words. How has “faith” been misapplied or misunderstood by both nonbelievers and Christians alike?
3. Read Hebrews 11:1-2. What have you learned from this description of what faith is. Why and how is faith more than just a head knowledge? Read Romans 8:24 and 2 Corinthians 4:18. What do these New Testament passages also teach us about faith?
4. Does faith in God come easily to you, or do you find trusting Him, or His Word, challenging?
5. Share about a time when you took a step of faith. What were some key factors that shaped your faith in this experience?
6. Romans 10:17. We grow in our faith when we hear God’s word. Do you have a daily set aside to hear from God? Share with your group what works for you to hear God’s voice most clearly.
7. The author refers back to the creation of the world to help us understand faith (read Hebrews 11:3, Genesis 1:1-3, John 1:3). How does having faith in God as creator help your faith on a daily basis?
8. Hebrews 11:6 says that without faith it is impossible to please God. Faith that pleases God has two parts: belief in God and seeking Him. What one of those two characteristics do you want to grow in this year? How can we help each other?
