Pray For The Persecuted Church

Today is the International Day of Prayer for the Persecuted Church (IDOP). We've all missed gathering with our church family to worship during lockdown. But, as hard as that's been, we enjoy religious freedom that countless people around the world have never known. In India, many can't gather to pray in their homes, for fear of attack. In China, even Christians who join online services risk arrest. Let us remember to pray regularly for the persecuted Church.

- 🕊️ Pray that persecuted Christians will understand and find peace in the sufficiency of God's grace, even in their weaknesses.
- 🕊️ Pray God would be present with persecuted Christians in their hardship, protecting them according to His will.
- 🕊️ Pray their witness would inspire those who seek to harm them.
