

Where Are We In The Journey...?

In January 2025, work began to build our new church building on the site of 51 Bargates. Our contractors are making great progress! By August/September, it's anticipated the building will be watertight, ready for the internal building works. If all continues as planned, the building will be finished in January 2026, ready for use in March 2026 (or sooner). This has only been possible because of the extraordinary generosity of God's people. Thank you!

How Could You Respond...?

On Sunday 05 October 2025, we invite you to take part in our 'Fit Out Gift Day'. This is an opportunity to contribute a one-off or regular gift towards our fit out fundraising, which will help us purchase essential items such as chairs, tables, audio-visual systems, kitchen equipment, staging, and more. While we could continue using our old resources, this fundraising effort gives us the chance to properly equip our new space with purpose-built, high-quality furnishings that reflect the fresh start of a new building. For example: £50 could buy a chair; £100 could help equip our kitchen; £500 could go towards the staging; £1000-£10,000 could buy some new audio-visual equipment. Every gift, large or small, is part of preparing our new building for God's mission and ministry.

Already Giving To Project Five:One...?

If you're already supporting Project Five:One, thank you — we're deeply grateful for your generosity! We understand that asking for further giving is significant. But if each of us prayerfully considers how we might contribute — not out of pressure, but in response to God's leading and with a sense of purpose — we trust that He will provide. It's through the faithful stewardship of the blessings we've each already received that we can meet this need together. Of course, if your financial situation changes at any time, you are free to revise or withdraw your pledge without any obligation.

Giving For The First Time To Project Five:One...?

If you're not yet giving to Project Five:One, we'd be so grateful if you would consider making a monthly pledge or a one-off donation towards the overall costs or fit out fundraising. Pick up a Project Five:One booklet which tells the story and shares the vision. Every commitment will enable us to mutually fulfil the vision God has given us as a church family.
