

Where Are We In The Journey...?

Together, we're now in the final stages of being able to start building our new church facilities (hopefully in late-Autumn). The great news is that we already have enough capital reserves to secure a loan from the Baptist Union, but we are a little short of the necessary monthly pledges to maintain the repayments. Although one-off gifts are hugely appreciated and welcomed, at this stage of the journey, your incremental monthly commitment is what will make the difference.

How Could You Respond...?

Please use this form to let us know the amount you are able to pledge on a monthly basis, for at least the next 24 months. Needless to say, if your financial circumstances change at any point, you are at liberty to withdraw or change your commitment immediately.

Already Giving To Project Five:One...?

If you are already giving to Project Five:One, could you consider increasing your monthly pledge? For example, if 100 people could give an additional £50-75 per month (or £12.50-£18.75 per week), we would meet our target and be able to start building! Very exciting!

Giving For The First Time To Project Five:One...?

If you are not yet giving to Project Five:One, we'd be so grateful if you would consider making a monthly pledge. Every commitment will enable us to mutually fulfil the vision God has given us as a church family.

How To Respond...?

Please use the form below to indicate your commitment and then make the necessary standing order arrangements with your bank. This form is confidential to our Church Treasurer and Finance Administrator who will be pleased to help if you have any questions or queries: finance@christchurchbaptist.org.uk

What Happens Next...?

Once you've submitted this form via the church office, we'll write with an appreciation of thanks which includes the Project Five:One bank account details and a GiftAid declaration (just in case you are a UK tax payer and we don't yet hold a declaration for you).
